

Father Pishoy's famous words about the Cross include:

- ✦ The more we contemplate about the Cross, the greater our unity with and the deeper our knowledge of the Lord Jesus Christ becomes.
- ✦ The Christian cannot say that he knows Christ unless he has a sacred unity with and is in continuous contemplation of Christ's Cross. So let us start a ten minute daily exercise to contemplate Him who was crucified for us
- ✦ Carrying the Cross is a daily invitation. The Cross, Oh Lord, was inside Your heart since the very beginning, before You carried it on Your back. The Cross represents Your love and sacrifice.
- ✦ The most satisfying scene for my eyes is to see You carrying the cross, for it is the satisfaction of my cross.
- ✦ The Cross is both the sign of the Son of Man and the sign of the children of God.
