

Are You a COOL Parent?

If so, please give attention to the following rules and guidelines for the Coptic Orthodox Olympic League for the summer of 2009. With your participation, we can have a blessed and fun summer.

1. Start promptly at 6:45pm.

a. You must walk your children into the church and sign them in at the front desk.

2. Pick up your children promptly at 9:00pm.

a. To respect the busy schedule of the servants and time they are already sacrificing, please pick up your children on time and you **must sign your child out** when picking him/her up.

d. Continued late pick-ups will result in the children being unable to attend the program.

3. Sign In/Out is mandatory.

a. For the safety of the children, we require that the parent/guardian enter the church with their children and sign them in at the front desk.

b. When picking up your children, the same procedure must be observed. Enter the church and sign your children out.

c. **NO** dropping off of your children or calling them to come out to the car will be allowed. Please park your car in the lot and come inside the church.

4. For the safety of the children, the back entrance to the church will be blocked—Children will be playing in the back parking lot. Please enter from the front entrance and follow the directions of the posted servant.

5. Children will be given a wristband and an Activity Book. They must bring BOTH with them each day they attend. Attendance will not be allowed without the wristband and book. If a child has repeatedly forgotten to bring both wristband and Activity Book, they will not be allowed to continue.

a. Lost wristbands and Activity Books can be replaced for \$20 each. This is only to encourage children to exercise responsibility and we hope that nobody needs a replacement of anything.

b. The need to bring these materials each day is to ensure that the servants can keep track of who is attending the program and make sure they benefit.

Thank you and God Bless.
